**Experience:**

**The Public Finance Group, Inc. Wichita, Kansas.** Spring of 2003 to Present. Owner. Financial Advisor to the following cities and corporations: Bel Aire, Bel Aire Public Building Commission, Cheney, Ellsworth, Osage City, Eureka, Eureka Public Building Commission, Hutchinson, Chisholm Creek Development Authority, Herrington Motel Investors, LLC, Garnett Hospitality, LLC, and Norseman Plastics Inc., (Osage City).

**Froggatte & Company, Investment Bankers. Wichita, Kansas.** Winter of 2001 to Spring of 2003. Investment Banker/Financial Advisor. Financial advisor to the City of Bel Aire, Cheney, Chisholm Creek Development Authority, and Eudora.

**Foulston, Conlee, Schmidt and Emmerson Law Firm. Wichita, Kansas.** Fall of 2000 Clerkship. Conducted legal research, prepared documents, composed briefs, attended court proceedings, interviewed clients, and prepared litigation related documents and memorandum. Subject matter included bankruptcy, leases, incorporations, family law, personal injury, general business matters, and wills, estates, and trusts.

**Gilmore & Bell, Municipal Finance Law Firm. Wichita, Kansas.** Summer Associate. Summer 2000. After graduating from Tulane, Gilmore & Bell was not looking for a full time associate but did need some seasonal work. Work included, preparation of various legal documents related to the authorization and issuance of municipal debt, research, special projects, and any and all other documents related to municipal finance.

**Tulane Civil Law Clinic, New Orleans, Louisiana,** Student Attorney, Fall 1999 – Spring 2000: Practiced law as a student attorney under the supervision of the Civil Law Clinic. Represented clients and advocated their interests. Responsible for conducting all relevant litigation, legal work, research, and writing. Cases included employment discrimination, divorce, blighted housing, and cruel and unusual punishment.

**City of New Orleans, Mayor's Office of Environmental Affairs, Wetlands Management Coordinator,** Fall 1999 – Spring 2000. Responsible for ensuring the City of New Orleans' compliance with "Coast 2050," a strategic plan for the survival of Louisiana's coast. Issued wetlands permits, conducted site visits, developed and promulgated mitigation procedures, and monitored all coastal and environmental concerns regarding the City. Authored coastal use program ordinance.

**Gilmore & Bell, Municipal Finance Law Firm, Wichita Kansas,** Summer Associate, Summer 1999. Gilmore & Bell is one of the nation's major public finance law firms. As a summer associate I prepared proceedings and legal documents relating to the authorization and issuance of municipal bonds, including the ordinances and resolutions authorizing the issuance of the bonds. I also prepared trust indentures, loan agreements, leases, mortgages, and other security agreements securing the bonds, notice of bond sale and certain portions of the official statement

used in connection with the sale of the bonds, and the various other documents, certificates and opinions required to complete the financing.

**Veterans Administration, New Orleans Regional Office, Law Clerk, Summer and Fall of 1998.** Processed remands, compiled veteran physical and medical records, and corresponded with veteran's seeking medical relief due to service injuries. Conducted research, utilized the various and extensive computer applications used to archive federal personnel records, and coordinated a file management program.

**Moliason & LeBlanc, Gretna, Louisiana, Law Clerk, Summer 1998.** Conducted research, drafted ordinances, communicated with city officials, and solved legal problems for the City of Gretna. Areas of legal work included, employment, zoning, public works, finance, administration, real estate, and all other areas of work involved in a city attorney's office.

**Via Christi Health System, Wichita, Kansas, Registered Lobbyist, 1994 – 1997.** Monitored all legislation to identify possible hospital and health care impacts. Established and maintained a legislative bill tracking system for management. Conducted research, summarized priority legislation, and composed legislative activity reports, letters, and official legislative testimony. Tracked legislation, interacted and communicated with legislators, lobbyists, and state officials, and formulated an annual legislative agenda. Worked with Legal Department to develop legislation concerning scope of practice, self-insurance, and HMO issues.

Management responsibilities: Served as a member of the Merger/Consolidation Task Force, developed energy deregulation and contracting proposals resulting in cost savings of \$1 million. Coordinated and directed employee opinion survey program, evaluated and selected bid proposals, developed "Best Practices" philosophy used in management and leadership development, and created merger video's to improve organizational morale. Designed grant coordinating system for notifying management throughout the health system about grant opportunities and other funding avenues. Completed continual quality improvement facilitator/team leader training.
